RE: Public Records Act Request dated January 10, 2019
Various Fresno Police Department Records regarding License Plate Readers

To Whom It May Concern:

The Fresno City Attorney's Office has received your project's January 10, 2019, request for records under the California Public Records Act (Cal. Govt. Code § 6250 et seq., the Act).

In the request, your project asks the City of Fresno (City) for various records from January 1, 2015, to January 10, 2019, for the following:

1. "Number, if any, of License Plate Readers owned by [the City's Police Department], including the manufacturer and whether a data storage package has been provided by the manufacturer[;]"
2. "Any documents or correspondence during the period encompassing this request regarding possible or planned acquisition of License Plate Readers[;]"
3. "Any existing or proposed usage policies regarding the use of License Plate Readers, including protocols, training documents, data storage procedures and prohibited activities[;]"
4. "Any current or past litigation involving or referencing [the City's Police Department] involving the use of License Plate Readers."

Within 10 days of our receipt of your request, the City is required to provide you a response indicating whether any records will be disclosed, whether any records are exempt and the reasons for the exemption, and the estimated time in which the City will produce any disclosable records. (Govt. Code § 6253(c).) However, the Act provides that in certain

circumstances the City may extend the time to provide the response. (*Id.*)

Your request may seek a voluminous amount of records and will require the need to search for, collect, and appropriately examine the separate and distinct records requested and additional time to compile the data requested. Under Government Code section 6253, subdivision (c), paragraph (2), this letter serves as notice that the City will require the permitted extension of time.

Under the Act, an extension of time may not exceed 14 days from the original 10-day deadline, rolling to the next Monday if such date falls on a weekend. We will provide you with a response not later than February 5, 2019. We appreciate your patience and understanding in this matter.

Very truly yours,

FRANCINE M. KANNE
